INNOVATIVE DISPLAY SYSTEMS

The Look Company transforms retail environments by delivering innovative display systems and printed graphics in a wide range of applications. Our SEG graphics and modular frames capture the attention of shoppers with an elevated in-store experience.

THE LOOK COMPANY MODULAR DISPLAY SYSTEMS

Our Modular Display System can be easily constructed into any configuration to create a custom graphic display. Connect panels together with the use of connectors. No welding or bending like typical fixtures.

FEATURES:

- ✓ Modular connectors provide unlimited design flexibility
- ✓ Reusable - can be reconfigured for multiple uses
- ✓ Easy to build - no skilled labor required
- ✓ Lightweight, freestanding & movable
- ✓ Customizable graphics - can be changed in minutes

CUSTOM HARDWARE

Our proprietary hardware is designed in-house and manufactured in our North American facility. This enables us to produce custom solutions to satisfy any project requirements.

Our modular display system is made from aluminum extrusion. Finishes are available in standard black and silver, and custom powder coated colors.
